KRUZER
SERIES

**+ GET READY FOR
A WHOLE NEW
METAL DETECTING
EXPERIENCE WITH
THE NEW KRUZER
SERIES!**

The Kruzer will bring hunted out sites back to life by offering the best performance and depth combined with its robust and waterproof design.

Are you a beach hunter? We did not forget about you, either! The Kruzer features a new advanced beach mode that provides a very stable performance on the wet salt beach and even underwater.

IP68

Fully submersible up to 5 meters (16.4ft) and protected from total dust ingress.

Excellent Discrimination and Unmasking Ability

Save time by detecting the targets you want while spending less time digging.

High Performance and Unmatched Depth

Uncover deep coins and relics that other detectors simply cannot detect.

Advanced Beach Mode

Very stable operation in dry sand, wet sand and underwater.

NEW! E.U.D Function

Extra Underground Depth - Detect certain type of metals masked by ground conditions and/or at fringe depths.

Fast Recovery Speed

Get ready to find out what other metal detectors missed amongst trash and iron!

3 Selectable Target ID Depth Levels

Adjusts the depth level that the detector displays on an ID for a detected target.

6 Search Modes

Gen (All Metal) / 2 Tone / 3 Tone / 4 Tone / Beach / Deep

2.4 GHz Wireless Headphones Included*

Enjoy wireless freedom with no latency.

Online Firmware Updates

Stay up-to-date with firmware updates (via USB on PC) and get the most out of your detector.

Vibration

Kruzer will vibrate upon detection of target! Ideal for the hearing impaired users as well as for detection underwater.

Lightweight (1.4kg / 3.0lbs)

Well balanced - Enjoy detecting for extended hours without fatigue.

Built-in Lipo Battery

Easily charge it with the supplied charger or a USB powerbank. Provides up to 19 hours of use**.

Easy to use
single menu design

5 Optional Coils to Choose From:

KR13 & Cover
13 cm (5") DD

KR18C & Cover
18 cm (7") Concentric

KR19 & Cover
19 x 10 cm (7.5" x 4") DD

KR24 & Cover
24 x 13 cm (9.5" x 5") DD

KR40 & Cover
40 x 35 cm (15.5" x 14") DD

*Wireless headphones are not waterproof and cannot be used underwater.

** Battery life on the multi Kruzer will depend on the operating frequency used.

A man wearing a grey jacket, white tank top, and headphones is kneeling in a desert landscape, using a Gold Kruzer metal detector. He is smiling and holding up a small gold nugget in his right hand. The background shows a vast, flat desert with mountains in the distance under a blue sky with light clouds. The right side of the image is overlaid with a semi-transparent orange panel containing text.

Gold
KRUZER

+ GOLD PROSPECTING AT ITS BEST!

Operating at 61kHz high frequency, the Gold Kruzer will bring hunted out gold fields back to life by offering the best sensitivity to tiniest nuggets.

Apart from its exceptional performance in harsh ground conditions and hot rocks, its robust and waterproof design makes the Gold Kruzer the most advanced gold and micro jewelry metal detector on the market.

Easy to use single menu design

IP68

Fully submersible up to 5 meters (16.4ft) and protected from total dust ingress.

Online Firmware Updates

Stay up-to-date with firmware updates (via USB on PC) and get the most out of your detector.

Excellent Discrimination Ability

Just detect those wanted gold targets and ignore iron.

Lightweight (1.4kg / 3.0lbs)

Enjoy detecting for extended hours without fatigue.

High Performance and Unmatched Depth

Uncover deep gold nuggets or micro jewelry other detectors simply cannot detect.

Built-in Lipo Battery

Easily recharge it with the supplied charger or a USB powerbank. Provides up to 19 hours of use.

NEW! E.U.D Function

Extra Underground Depth - Detect small gold nuggets masked by hot rocks and/or at fringe depths.

*Wireless headphones are not waterproof and cannot be used underwater.

"The Kruzer has just opened a completely new playground for serious hunters... Its aim is true and it hits like a beast... Simplicity and excellence in one machine and the ability to get wet is simply amazing. I won't leave home without the Kruzer by my side..."

Hank Ne from South Africa

"The Multi-Kruzer's world class unmasking and target separation has allowed me to find more keepers from my worked out San Francisco city parks, the Kruzer's a keeper!"

Brian Severn from California, USA

"The Kruzer is not only a beach detector but it makes a great rally detector in the 3 tone mode. No need to worry about getting caught in the rain any more. It does the job for me!"

Daniel Cbeirnes from UK
